**OFFICIAL TO THE EVENING WORLD.**  
GUTTENBERG RACE TRACK, March 23.—All the regulars and a few more besides turned out at Guttenberg to-day. The weather this morning was of a doubtful character, but to the south soon the strong, warm sun asserted itself and dispelled the damp, cold mists that hovered over the track.  
The card was a very good one, but it was somewhat spoiled by scratches. The track was fetlock deep in mud and was well watered. Hootjacket also had a following, because of his good race the other day, while long shot players flocked to A. L. Amos, who beat Hilda for the place.  
Police, a hitherto unknown quantity from Campbell's stable, was made the favorite for the maiden race and was heavily backed all around the ring. Fabian was second choice, and his good race lately found him plenty of backing. Patti was also played heavily, but outside these two the others were backed to any extent.  
Father Bill's two-year-old colt by Simple Gold carried in a winner by four lengths. Fabian was second and Patti third.  
The third race only had three starters. Joe Courtney was a hot favorite and he won easily. There was second choice and he was second. Young Duke was a third choice.
